I would like to thank everyone who has helped me on MY Gore Family line. It appears they came from England to Maryland and spread out from there to many of the United States.

I started doing research on my families back in 1969 and have done so much research that I have decided since I am on my 81st year I will let someone else do research if they are interested.

The Gore line started that I know of with James Gore I b abt 1680, died abt Jun 1717 Prince Georges Co. MD. And married Mary Burke, who md Grove Tomlinson after James death. Dau of John Burke. They had 6 known children.

My next line was 2nd child James Gore II b.1707, died 29 29 Oct 1784 Camden Dist., Kershaw Co. SC. Married Elizabeth Dowden abt 1729 Prince Georges Co. MD. Had at least 11 children and 4th child was Michael Gore b. ca 1740-42 and was father of James Gore who married Rebecca Ross. Michael Gore md Priscilla Sayres, dau of James Sears/Sayres. They had 2 children known, Ann who md Abraham Smith and James who md Rebecca Ross. Dau of Robert Ross (who we haven't found for sure yet).

Many of the first 3 generations need more work done on their children and even some of the later generations need work done to finish the families.

So anyone who wishes to follow threw on these families and sure many will be very appreciative of the work.

On much of the early research there will be different addresses so don't pay attention to those. The above address and e-mail is the correct one as of 2011.

Notes

HUSBAND - Samuel W. Paxton

Info from James L. Gore printed in "The Gore Family Newsetter" Vol II #1. Only list mg date and place.

1st Marriage to ? had 3 children: Jane A. b. 1831, Mary E. b. 1832, Rebecca E. b. 1834.

MARRIAGE: Ann Gore married Samuel Paxton in Rockbridge Co. VA. Ann Gore b. ca 1805 and believe Samuel W. Paxton was born abt 1807 and died after 1850. Don't believe they had children at least none located.

1840 Rockbridge Co. VA (has 3 Samuel Paxtons and one maybe likely). pg 179: *Samuel Paxton m-30/40-1 f-5/10-1 10/15-1 30/40-1 (both b. 1800/1810). (this one most likely)

Other Samuel pg 155 m-70/80-1 f-70/80-1 and other Samuel pg 144 m-to 5-1 5/10-2 10/15-3 15/20-1 40/50-1 f-5/10-1 15/20-1 20/30-1 40/50-1.

1850 Rockbridge Co. VA pg 365, 17 Sep, #481/496: Samuel W. Paxton 43 Va wagon trade, Ann 46 Va, Jane A. 19 VA, Mary E. 18 VA, Rebecca E. 16 VA. These may be children by a first marriage of Samuel as not married till 1837.

There was one estate of one Samuel Paxton Sr 1827 thru 1834 which may be the father of this Samuel, as there was a son listed by name of Samuel and also a grandson. Abstracted this from Rockbridge Co. VA estates.

From the "Genealogy & History, Washington DC" 15 Oct 1943 had a query #7861 said from the book "the Paxtons" by W.M. Paxton of Platte City, MO pub 1903 mentions Samuel Paxton, son of Samuel & Mary (Moore) was b. 1754 Rockbridge Co. VA md c 1777 Margaret Thompson b. Ireland and came to America age 10. Also stated "State of Tennessee, Blount Co. dated 28 Aug 1802 Rockbridge New Providence church certify that Samuel Paxton, his wife Margaret & daughter Polly have lived in the bounds of this congregation for several years past-- have supported a good moral character-- were admitted to the communion of the church and now leave it free from public scandal or church censure, known to us." (Were these people anyway connected to Samuel Paxton and Ann Gore who md in Rockbridge Co. VA 1837?)

Research from the Paxton Family Folder from the collection of Dr. George West Diehl, Rockbridge Co. VA located at Leyburn libr. Washington & Lee College, Lexington, VA which we visited 9 May 2000.

There was a lot of family history on the Paxton family but none mentioned Samuel Paxton and Ann Gore other then the marriage record.

Samuel Houston of Texas fame was the son of Major Samuel Houston & Elizabeth Paxton.

One Thomas Paxton 1764-1839 Rockbridge Co. VA married 1791 Augusta Co. VA to Martha Steele 1764-1846 Montgomery Co. IN.

One Samuel Paxton b. 19 Apr 1803 Rockbridge Co. VA died 13 Jan 1879 Montgomery Co. MD married 29 Dec 1825 Nancy T. McCorkle and had 9 children.

Don't believe this was our Samuel even though birth age was close. But he was also listed in census with 9 children as was our Samuel with fewer children.

High Bridge cem, organized 1770, present church built 1904 listed Rev. sam Houston, Minister 1788-1831.

Paxton cemetery also had several listings for Paxtons but none to fit our Samuel and Ann. Nor did any of other cemetery records we checked.

The book "The Paxton Family" by William Paxton of Platte City, MO pub 1903 had several Samuel's listed but no Gore in the book.

LAND RECORDS:

Notes

HUSBAND - Samuel W. Paxton (Continued)

So what appears here is the children got a portion of land from father then when mother died they got portion of her dower land as well and all sold the land to Philip Shafer. We don't know what happened to the Lowe land as there wasn't a sale at that time for that land but late in 1855 there was a deed that sold that part to Robert Montgomery but William and Jane had been dead for several years it is believed as no trace of them after 1838.

Research done at Lexington court house on wills and Land records didn't turn up too much either. Ann & Samuel were married 1837 in Rockbridge and Ann was deceased by 1858 but was not listed in will book. Samuel after that but not located there either.

Will Index 1778-1925 listed 2 Samuel Paxton's and believe neither ours.

Will Bk 7 p292: Will of one Samuel Paxton (book was out for repair)

Will Bk 10 p487 3 Jan 1848: Appraisal of estate of one Samuel Paxton.

Will Bk 11 p191 8 Aug 1849: Settlement of estate of one Samuel Paxton.

There were other Samuel Paxtons in the county and believe these were the others.

Land Grantee Index 1778-1848 listed several Samuel Jr's in 1829 (not sure if our Samuel was a Jr or not so didn't list them).

Deed Bk O p365 23 Jul 1825 Samuel Paxton Jr from Samuel Paxton Sr. for \$1.00, just description of land, no creek listed. Boarding Joseph McClung, Frederick Allbright, Robert Caruthers. 159 1/2 acres.

Grantee Index 1848-1887 listed several Samuel Paxtons but didn't have time to check them out. Several had middle names and ours may have been W.

Others were Samuel A., Samuel H, Samuel D. and Samuel W. (those need to check).

WIFE - Ann Gore

Some info from James L. Gore printed in "The Gore Family Newsetter" Vol II #1. Only list mg date and place. Birth year 1800/1804 which is probably close.

MARRIAGE: She married Samuel Paxton in Rockbridge Co. VA. 1837 No record of any children. Samuel believe to have had 3 before this marriage.

DEATH: Located them in 1850 census so was after that. Letter from brother Samuel to their sister Nancy said didn't know of Ann's death so was before 1859 and after 1850.

1850 Rockbridge Co. VA Pg 365 17 Sep #481/496: Samuel W. Paxton 43 VA wagon trade, Ann 46 VA, Jane A. 19, Mary E. 18, Rebecca E. 16. Microfilm #T6-330 Iowa City, IA library

1860-70 not checked to date.

There was one estate of one Samuel Paxton Sr 1827 thru 1834 which may be the father of this Samuel, as there was a son listed by name of Samuel and also a grandson. Abstracted this from Rockbridge Co. VA estates.

A letter written to (Aunt) Miss Ann Gore, Virginia Rockbridge Co. Lexington dated 8 & 10 Febuary 1836 from Michigan Territory Gratiats Grove Post office from J.H. Lowe it looks like. John Wilkinson Wade Jr, 27 Etowah Drive, Cartersville, GA 30120, Mar 1997 sent me a copy of the original and also a transcribed copy that his son did. At this time we aren't sure if this is a son of William and Jane Gore Lowe as there wasn't a J.H. (son) there was a Hawley that we know but he could have had a first name no one is aware of or he may be another son we don't know?

I checked the map and there isn't a Gratiats Grove in IL or WI but there is a Gratiot, WI that is in Lafayette Co. WI now that would have been in Michigan Territory in Feb 1836 and later that year the area was changed to Wisconsin Territory in 1836. This is the area at least two sons had been before 1840. he said he was going to Mr Woods school and he lived about 500 miles from his parents, however if they lived in Alton, IL according to land records it was only about 300 miles. He said his brother James had been gone for 4 years and hadn't been heard from since. He had written to his mother and received a letter from her and also asked Ann about his grandmother and hoped she was well. Mentioned cousin Mary Jane in VA? and mother sent him a letter from her with her last letter. (All the info in the letter points Hawley and could be Joseph Hawley but no record was he ever listed as anything but Hawley from mg to death that can be found).

Land record in Rockbridge Co. VA listed her and husband selling the land she inherited from her father and then her part of her mothers dower as well in Feb 1840.

From the "Genealogy & History, Washington DC" 15 Oct 1943 had a query #7861 said from the book "the Paxtons" by W.M. Paxton of Platte City, MO pub 1903 mentions Samuel Paxton, son of Samuel & Mary (Moore) was b. 1754

Notes

HUSBAND - Baxter Gore

/BIRTH: Birth date has been suggested as 1795 and also 1784/1794 so not sure. Going thru the census again and believe Baxter was the 9th child born 1805/1810, prob. closer to 1808 and died before 1830.

MARRIAGE: No record of a marriage. Doubt he lived to marriagable age.

DEATH: Believe his death took place sortly after his father becasue one record dated 6 Jun 1831 of James Gore's esate stated paid cash to Baxter Gore, now deceased and he wasn't listed in 1830 census that could locate so probably died just before 1830 By 1830 he would have been about 22-24 if b. 1806-8

Info from research done by James L. Gore and written in the Gore Family Newsletter Vol II #1 list only approximate birth date and nothing else. Agnes Branch Pearlman stated in this issue he was b. abt 1795 and died abt Sep 1837.

1810 Rockbridge Co. VA listed one male age to 10, which could be Baxter in home of James Gore.

1820 Rockbridge Co. VA listed one male age 10/16 that could be Baxter in home of James Gore.

1830 Rockbridge Co. VA no one in parents home fits this person.

LAND RECORDS ROCKBRIDGE CO. VA Deed Bk S p108-109 2 Sep 1833 between William Gore and wife Tabatha of Lawrence Co. OH and Samuel Gore of Rockbridge Co. VA to William A. Wilkinson for \$90 their undivided shares in a certain tract of land in Rockbrige Co. on South Fork of Buffaloe Creek containing 136 acres, formerly the property of James Gore dec'd. Bounded by James Crossley, John F. Hall and also their undivided share of Baxter Gore dec'd being 1/10 part of tract of land with all the appertenences. Signed by Samuel Gore and William Gore Letters sent to me from John Wilkinson Wade Jr, 27 Etowah Dr, Cartersville, GA 30120, Mar 1997 written by Samuel Gore to his sister Nancy Gore Wilkinson in Rockbridge Co. VA from Monroe Co. MO. These letters tells of his trip to MO and the hardships they endured and the 5 children they lost. I have copies of the original letters then a transcribed copy that John's son did. To Mrs Ann Paxton, Rockbridge Cty Va, Fancy Hill Post office dated on one sheet 6 Jan Florida MO and on body of letter dated 18 Dec 1842. (Abstracted- although the entire letters were so interesting). Sending greetings to sister & brother stating they are in the state of Missouri in Monroe Co. living in neighborhood of John Salling and Hue Hickman. We got here the 15th of Nov. We first traveled 300 miles towards Jacksons Purchase and not liking the country turned to the north and by doing so we traveled 1400 miles but we are here now and are well and harty. Now for the Gores' luck. My horse gave out in Tenn and had to buy another which cost \$58. The mans name was Crofford, a full cousin to Mrs Johnston and he ensured the horse to be sound. He lived 8 days then was taken with cholick and died in 6 hours on top of cumberlain mountains that same day. I baugh another young horse 5 yrs old for \$10 which was better horse then the other one. Now I have sold the horse and bought a cow, 5 yrs old, a one horse McCormack plow and one bushel of hemp seed. We traded on monday, brought the cow home on fryday and satterday she died of mensen which is very fatil out here among the cattle. We got here on tuesday and on sunday Bill was taken with the cholick by licking too much snow (prob another horse?) and he will never be as nigh ded again until he dose die for good. "Now for the distress of my mind, I can't tell you ennything about, but you know how a Gore takes ennything of this kind to hart". Then tells of prices of items, tells of the very good soil there. Said Royal Goowin rased 14.67 lbs of tobacco in one acre and he intended to plant some next year for Sam Johnston and myself rented his farm for one yeare. We give the third of all we make on it. "I live on the verry piece of land that old Billy Douglas's son boughth when he died on Duels mountain coming home. For Goodwin bought it of Jefferson Crofford" Has be a dry fall here, most of water dried up but the place I live on has a good spring riseing in the middle of the creek which afforded water for the neighbourhood around. Folks halled water two miels from it. Timber scares also. You have the wood & water and we have the land. Lots of fever here John Salling says he has ver knew the like. ?Matilda A is forty and has been ever cence she left home. Travelling agreed with her and is well satisfied, better then I am for ll weh have had such bad luck. She says she is not in the notion of going back to VA yet. Send word to father & mother Watts how we are. We wrote to them as soon as we got here but have had no answer. Tell Self & Hopkins to make payment to father Watts as soon as possible or we will suffer for I can't get work to do and I must have money to buy my support for it took \$90 to fetch me out here and I have very little left. Most every person is a Methodis or a Baptis and I can go to meting twice a week. "Sam I want you to go down to fathe Watses & tell him not to send my money in a letter for it will be robed but put it in a bank & then send me a check on the bank of Palmira in this state." Signed Saml Gore. The next letter believe to be to sister Nancy Wilkinson dated 31 Aug 1859 Florida Missouri Monroe Cty. (Abstracted

again) Deare Sister. After a long delay I take the opportunity to write you a few lines to let you know who we are. We are all well that are alive. We have had 5 children and two of them are ded. This first one died was a girl named Martha Frances Elizabeth. She was born Nov 16, 1852 and died Sep 5 1853 wanting -11- days to have made her ten months old. She was our third child. The next was a boy John Carter. He was born May 28, 59 and died Aug 14 =59 aged 78 days old. Both died very much alike. The first died of the inflammation of the bowels and the second of the bowels & brain. He is our 5th child. William Robert is our 4th child between the two that are ded. He was 3 yrs of age the 4 day of June past and is very smart & easy taught to anything. Rebecca Ann is our first child. She was 16 years of age the 21st day of this month and is all wright. She is large now as her mother and will make as large a woman as her aunt Ann Paxton, stout and healthy and can do eny sort of work. (now for more misfortune). James Montain is our 2nd child. He was 12 years of age the 6 of Mar past and is more truble thean eny young babe for he has no command of himself at all. He has to be fed just lkike a young child. Can't get so much as a glass of water and has to weare coats all the time like a girl & this was all caused by strong medison when a babe. It destroyed all his nerves & spine and all his interlect. He cannot speak but can hear. I have lost the last milk cow in 10 yrs. I do have 160 acres of land, a good well and about 100 apple trees now beginning to beare fruit. Received a letter from Aunt Ann Hickman the other day and she said you requested me to write to you. This was first request from any one I know of. If you ever made eny of them before, I never received them, for I had when not to have herd of Ann Paxton's & Aunt Nancy Armintrout's deaths. I want you to write me as quick as possible and tell about your family. How many children younger than Rebecca Jane & tell all who married down from Mary Ann. Give the Doctor my best and you cannont write yourself get him to write for you. Let me know if brother William Gore is living yet or not. Please give me your age in your next letter. I was 47 years of age the 7th day of June past. Signed Respect Samuel Gore.

Letter dated 24 Nov 1859, (presume sister Nancy Wilkinson) Dear Sister, Inform you our little William Robert is dead. He died 14th of this month of croop, hooping cough and inflammation of the lungs. He suffered a great deal in his sickness. James Montain has got the cough very bad but appears to be getting better. William Robert was named for Bill & Bob Smith. He was 3 yrs 5 mo & 10 days of age. You wrote me something about the Smith children being in Indiana. I know all about them for Will was here to see me last fall. He came to my house on the 1st day of Sept and stayed until the 10th day of Jan. (1858-9) Then he returned home and married Mary Harrison of Green Castle, Clay Co. TN (1859). Then took her and paid all of John Gores children a visit and then struck out for Cances (was Kansas) and have had one letter from him since. He & wife had been very sick, he may be dead for anything I know. I want to send you word to Aunt Ann Hickman. I have writen to mister Watts. Tell the doctor to come and see me and the country. Signed Yours with Respect Samuel Gore

Letter dated 1 Aug 1873 to Nancy Wilkinson, Dear Sister, We are all well at this time and I heard a short time ago that the Doctor was dead through a letter that I received from Mrs Watts and that you were still alive. If still alive please write to me for we are the only ones of the family that are alive and I feel very anxious to heare form you. Cholory very bad here and in Hannibal. Write to me about all your hcildren and let me know how they are. I have but one child living. The rest are all dead. 3 of thme died when small and James Montain lived until 21 yrs & 11 days and died of pneumoney. I have none in family but myself and my wife. Write and let me know who you are and who is living with you and how old you are and when your birthday was. I was 61 yrs of age the 7th of June. Signed-Samuel Gore

The last letter dated 23 Jul 76- Florida MO (probably to Nancy Wilkinson- Deare Sister. I imbrace this opportunity to answer to yours that I received the other day. Your letter found su as well as could be expected considering our troubls. Rebecca Ann died April the 5 with the spinal men&getus of the back, neck & head. A terable death to die. Left 6 living children 3 boys and 3 girls, the youngest a boy 7 months old. The had 7 children the 3rd one died, a boy about 3 months old. Then she had 3 girls which are all living. Mr? Slaughter keeps all the children at home the names of which are as follows: The oldest boys name is Oliver McCullagh Meset Alonso Davies so by these names you may very redaly see that their father is no negro- equalized or radical. Oldest girls name is Lorra Ann, then Joannah Elizabeth then Rebeccah Virginia and the babys name is William Jacob. As to myself I was 64 the 7th of June and Matilda Ann will be 55 the 22 day of August. W have had a site of trouble and bad luck in this world to beare with, to still be alive. I was sorry to hear of your troubls in the life of your children for I know all about these troubles but we have tot them to bare. Give my best love to all your children and take a large portion of it to yourself. Write to me again and let me know all the particulars about yourself. Give my respects to Lizabeth for writing me for you and tell her I recollect well the time I use to nurse her when she was about 6 months old and vamp and play with her and tickle her in the sides to see her gap her bigg whooperwill mouth. Write to me and let me know somthing about Mrs Watts and family. Matilda Ann sends her love to you and all your children. Signed- I must close Your loveing brother Samuel Gore.

I am trying to locate a probate record, will, estate record or anything pertaining to the death and estate of one Samuel S. Gore and his wife Matilda Ann (Walter) Gore.

They were living in Jefferson Twp, Monroe Co, MO in 1870 and maybe would have died after that, maybe in Monroe Co. Samuel was born in 1813 so we wondering if you could check your records to see if you have anything on either of them?

I have enclosed \$5 for any copies and also an SASE for your convenience. Thank you for your help.

I imbrace this opportunity of dropping you a few lines in order to let you know something about myself & family. We are all well at this time hoping that these may find you enjoying the same blessing. I heard some short time ago that the Doctor was dead through a letter that I received from Mrs. Watts & that you was still alive. Now if you are still living, please write to me for we are the only ones of the family that are alive and I feel very anxious to heare from you. These times are very distressing. The Cholory is a raging very much. There has been one case of it in Florida and spreading over the country. It is very bad in Hannibal on the river and in many other places proving very fatal.

Write to me about all your children and let me know where they are. I have but one child living and that is the oldest one and she is married and got 6 children. The rest are all dead. 3 of them died when small & James Montain he lived until he was 21 years & 11 days of age and died of the Pneumoney, so I have none in family but myself and my wife. A lonesome way to live. Let me know in your letter how you are getting along and how you are keeping house who is living with you and be sure and let me know how old you are and when your birthday was. I was 61 years of age the 7 day of June. Direct your letter to Florida, Mo. I write no more, trusting in God that these may find you in good health.

I take my pen in hand again to inform you of our distress. Our little William Robert is dead. He died on the 14th of this month of the Croop, Hooping cough & inflammation of the lungs. He suffered a great deal in his sickness. James Montain has got the cough very bad at this time but appears to be getting some better. William Robert was named for Bill & Bob Smith. He was 8 years, 5 months & 10 days old when he died.

You wrote to me something about Smith children being in the Indiana. I know all about them for Will was to see me last fall. He came to my house on the 1st day of September and stayed until the 10th day of January and then returned home & married Mary Harrison of Green Castle in Clay County ^{Ind} and then took her and paid all of John ^{Indiana} Gores children a visit and then struck out for Canees. I have received but one letter from him since he moved to Canees. He and his wife had ^{Canees} ^(Kansas) ^(SLT) been very sick of the flu & was scarcely able to get about when he wrote. He may be dead for any thing I know - the rest of us are only sorten well. I am not stout by no means an feel very little like writing much at this time.

I want you to send word to Aunt Ann Kiekand concerning my distress and tell her not to think hard of me for not writing my distress to her for I want to write as little about it as possible for the thoughts of it is more than I am able to bare. I have writen to mister Watts concerning it and this letter is about as much as I am able to bare.-

Write to me and let me know all the particulars of yourself and family. Tell the doctor to come and see me and the country. Give him our love & respect and to the children the same and take a large share of them to yourself.

Respect

Deare Sister

After a long delay I take the opportunity to write you a few lines to let you know how we all are at this time. We are all well that are alive. We have had five children and two of them are ded. The first one died was a girl, named Martha Frances Elizabeth. She was born November the 16 1852 and died September 5th 1853 wanting -11- days to have made her ten months old. She was our 3 child. The next one was a boy, named John Carter. He was born May 28 -59 and died August 14 -59 aged 78 days old. They both died very much alike. The first died of the inflammation of the bowels & the second of the bowels & brain. He is our 5 child. We have not had its funeral preached yet but when we do I will send you the tex preached from. William Robert is our 4th child standing between the two that are ded. He was 3 yeares of age the 4 day of June past and is very smart & easy taught to enything. The two that died appeared to be more smart at there age than he was when so old & he is smart enouf for eny use. Rebecca Ann is our first child. She was 16 yeares of age the 21st day of this month and is all wright. She is as large now as her mother & will make as large a woman as her aunt Ann Paseton, stout & healthy & can do eny sort of work you can name (Now for more misfortune.) James Montain is our 2nd child. He was 12 yeares of age the 6 of March past & is more truble than eny young babe for he has no command of himself at all. He has to be fed just like a yung child. He can't so much as get himself a drink of water & has to weare coats all the time like a girl & this was all caused by strong medison when a babe. I destroyed all his nerves & spine and all his interlect. He is entirely in capable of being taught eny thing at all. He cannot speak the first word & appears to have good enoughf use of his tongue too to talk & can heare as good as eny person. Now for myself. I have got along very well since I have come to this country considering the bad luck I have in the loss of property. I cannot say how many times I have lost the last milk cow in the ten yeares and all most as bad with my hoggs & now it has turned to my horses which has put me well nigh through with them. But this is all nothing to compair with the loss of my children. Notwithstanding all this misfortune, I have 160 acres of land, a good well & about 100 hundred apple trees now beginning to

beare fruit - all of a choice selection. I have written to you some of the particulars of my past life but not a beginning to what I could write if I had time and room. I received a letter from aunt Ann Rickman the other day & she said that you requested me to write to you which is the first request I have received from eny of you and I hasten to comply with your request. If you ever made eny of them before, I never received them, for I had when not to have herd of Ann Paseton's & Aunt Nancy Armintrout's deaths.

I want you to write to me quick as possible & write all about your family. How many children you had younger than Rebecca Jane & tell who all they married from Mary Ann down. Give me their names and give them my love and take a large portion of it to yourself.  dead he was 3 years of age the day of my
 past and is very smart & easy taught to

 to be more smart at there age than he
 was when so old, & he is smart enough for
 any use. Rebecca Ann is our first child
 she was 16 years of age the 21th of this month
 and is all wright, she is as large now as her
 mother & will make as large a woman as
 her aunt Ann Passton, stout & healthy &
 can do any sort of work & can name
 (now for more misfortune) James Monta
 na is our 2nd child he was 12 years of age
 the 6 of March past & is more trouble
 than any young babe for he has no com
 mand of himself at all, he has to be fed
 just like a young child, he cant swim
 - can get himself a drink of water, & has to
 be carried all the time like a babe & this
 was all caused by strong medicines when

 he can not speak the first word & appe

Dear Sister

After a long delay, I take the opportunity to write you a few lines to let you know how we all are at this time, we are all well that are alive, we have had five children and two of them are dead. The first one died was a girl, named Martha Frances, Elizabeth she was born November the 16 - 1852 - and died September 5th 1853 - wanting - 11 - days to have made her ten months old. She was our 3rd child. The next one was a boy, named John - Carter: he was born May 28th - 1853 and died August 14 - 53 - aged 78 days old. They both died very much alike. The first died of the inflammation of the bowels & the 2nd of the bowels & brain, it is our 5th child - we have not had its funeral preached yet, but when we do I will send you the text preached from. William Robert is our 4th.

Child standing between the two that are dead he was 3 years of age the day of your part and is very smart & easy taught to any thing. The two that died appeared to be more smart at their age than he was when so old, & he is smart enough for any use. Rebecca Ann is our first child she was 16 years of age the 21st of this month and is all right, she is as large now as her mother & will make as large a woman as her aunt Ann Parson, stout & healthy & can do any sort of work you can name (now for more misfortune) James Mountain is our 2nd child he was 12 years of age the 6 of March past & is more trouble than any young babe for he has no command of himself at all, he has to be fed just like a young child, he can't so much as get himself a drink of water, & has to wear Cots all the time like a girl. & this was all caused by strong medicine when a babe, it destroyed all his nerves & spine and all his intellect, he is intirely incapable of being taught any thing at all. He can not speak the first word & appears to have good enough use of his tongue to talk & can hear as good as any person - now for myself I have got along very well since I have come to this country.

Considering the bad luck I have had in the
loss of property I cannot say how many times I
have lost the last Smith Cove in the ten year-
es and all most as bad with my hogs & now
it has turned to my horses which has put
me well nigh through with them, but this
is all nothing to compare with the loss of my
children; notwithstanding all this misfor-
tune I have 160 Acres of land. A good well
& about 100 hundred Apple trees now
beginning to bear fruit all of a choice
selection. I have written to you some of
the particulars of my past life but not
beginning to what I could write if I had
time and room. I received a letter from
Aunt Ann Dickmon the other day & she
said that you requested me to write to
you which is the first request I have
received from any of you and I hasten to
comply with your request. If you ever
made any of them before I never received
them, for I had ^{never} heard of Aunt Ann
Dickmon's & Aunt ~~Anne~~ ^{Sarah} ~~Hickman~~ ^{Brown} Seath's
~~Sarah Brown~~
Seminole.

I want you to write to me quick as pos-
sible & write all about your family how
many children you had younger than
Rebecca gone & tell who all they married
from Mary Ann down, give me their
names and give them my love and tell

Large portions of it to your self please to
 excuse me for not writing to you sooner for
 I promised to write to O. M. that when
 I got out here and began to get sick and y^{et}
 it had happened that I had no heart to do any
 thing until old Acquaint^{ances} & old friends
 were pretty much forgot, but I recollect them
 well enough to write to them when ever I see
 in their request, give the Doctor my best love
 and if you cannot write your self get him
 to write for you & write to me and let me
 know if Brother William Gore is living yet
 or not - Direct your letter to Florida Post

1842 - Dear Sister and Brother. I now ingage in the cause of communicateing a few lines to you for the purpose of informing you somewhat concerning us. We are in the State of Missouri in monroe cty living in the neighborhood of John Salling & Rue Kiekman. We got here on the 15th of Nov. We first travelled three hundred miles towards Jacksons ^{PURCHASE} ~~re-cha~~ and not liking the country then turned to the north & by so doing we travelled 1400 miles but we are here now and are well & harty. Thank God for it. Now for the Gores' luck. My horse give out in Tennessee & I had to by an other which cost me 58 dollars. The man I got him from was by the name of Crofford. A full cousin to Mrs. Johnston & he ensured the horse to be sound. He lived 8 days then was taken of the Cholick one night & died in 6 hours on top of cumberlain mountains that same day. I baugh again a young horse five years old for 10 dollars which is a better horse than the other was. I baught him of a young man whose father was very much in debt & for fear they would take his horse for his fathers debt he sold him to me. He asked 12 dollars for the horse & I offered him 10 and he lit off and swore he was nowayes chicken harted in his life. Now I have sold the horse. I got a cow, five years old, a one horse McCormack plow & one bushel of hemp seed. The cow would have cost 30 dollars two yeares ago. We traded on monday, I broat the cow home on fryday & satterday she died of the mensen which is verry fatil out here among the cattle. They never live more than 24 hours. So there goes my other horse - Not this alone - We got here on tuesday & on sunday Bill was taken of the cholick by licking too much snow & will never be as nigh ded again until he dose die for good. Now for the distress of my mind, I can't tell you ennything about, but you know how a Gore takes ennything of this kind to hart. But I have some hopes of liveing yet, for corn is 10 cts per bushel, wheat 25, oats 10 cts per bushel, porke \$1.50 per hundred, beef the same, coffee 11 cts, sugar 6 1/4, honey 50 cts dull sale at that. Of the land & soil price, just such land as John Acley's can be bought for \$4.00 per acre. The soil of

Just such land as John DeLays can't caught for \$4.00 pr
acre the soil of this part of the country is said to be from
18 to 24 inches deep black as charcoal & Sam told it will fetch
fifty bushels of corn to the Acre from 16 to 24 of wheat
here this year ^{where} ~~it~~ ^{will} be 68 to the bushel this I know to be the
fact for I saw it weighed & also saw 14.67 lbs of tobacco weigh
ed which grew on one acre of land Royal & Goodwin
said it & intend to plant the same to more acre for
Sam Johnston & myself have rented his farm for one
year & we give the third of All we make on it & live on the
very best of land that old Billy Douglass son bought
when he died on such mountain coming home for
Goodwin bought it of Jefferson Crofford I have saw him
several times & I had 2000 dollars I could buy 800 acres of
the best land you ever saw this has been a remarkable
dry fall out here most all the water was dried up
the place I live on has a good spring rising in the m
side of the creek which afforded water for the neighbour
hood around folks halled water two miles from it
it was a blessed thing for me that happened to get
here in this house for water is a scarce thing here in
this country timber like wise there is too much
~~and~~ ~~person~~ here & you have the wood & water & you
have the land & we are well so far though there has
been a power of fever here this fall John falling
says he has never known ~~the~~ the like since here he has
been of the congestive fever chills & fever & quite to
matilda it is forty & has been ever since she left
home in three days after she left them all she
got well enough traveling & agreed with her
very well & she is very well satisfied better than
Sam for all we have had such bad luck she says
she is not in the notion of going back to Virgin
yet but she thinks one or two more such
labors will put her in the notion give her respect
